Tiered celebration cakes can be made to order and tailored to your requirements for birthdays, weddings or other celebrations.

Our cakes are made using homemade sponge as a base, with or without flavours added. We then layer our cakes using whipped frosting between layers and for coating. Finally we decorate using fresh fruit, greenery or other items as requested.

Choose from dark chocolate & forest fruits, or white chocolate & cream cheese

Pricing is calculated on £4 per serving, ranging from serves 10 to serves 100.
